

Turn *Your Calling* Into Your *Dream Business*

YOUR FIRST STEP TO INDEPENDENCE STARTS TODAY

How Salon Suite Leasing Works

Our turn-key suites are designed specifically for the beauty and wellness professional. Whether you're a hair stylist, aesthetician, barber, nail technician, or any of the other many beauty, health, and wellness professions, we have a suite for you. Our modern customizable suites are the perfect solution to starting your own business with significantly lower costs and complexity than the traditional salon model.

Did you know?

Salons by JC is the *only* salon suite in the industry with a full-time concierge, meaning you will receive the support your business deserves and always enjoy a spotless salon, giving you the ability to focus on doing what you do best.

Next Steps

You've already taken the first step to learn more about Salons by JC, now we encourage you to schedule your private and confidential tour. Come learn about your local location, what suites are available, costs and processes for moving in. When you meet your concierge, they can share helpful tips, tricks and ideas to customize and optimize your new salon suite.

Let's work together to make sure this is the best move of your life. Schedule your private tour and find out why Salons by JC is the place to be.
