Salon Professionals

Salons by JC provides an array of amenities for every salon suite owner, designed to push your business to the next level of success. We provide a variety of salon furniture, secure 24/7 building access, washers and dryers on-site, digital directories, and more. Each location also has a dedicated and professional salon concierge that manages salon logistics and building management, giving you the ability to focus on doing what you do best.

Our fully customizable salon suites come in a variety of spacious layouts and functional sizes that can be custom-tailored to fit your specific needs, services, and budget. Every Salons by JC is purposely located within a high-end retail center with ample parking so your salon customers can easily come and go. Browse our complimentary salon amenities below to start visualizing how you can bring your own salon business to life.
